

ER-1-6885

28 March 1951

MEMORANDUM FOR THE DIRECTOR

FROM: Legislative Counsel

1. Mr. William Borden, Executive Director of the Joint Congressional Committee on Atomic Energy, requested this Agency to read the proofs of the Committee's forthcoming publication on Soviet atomic espionage. We were requested to read this material from the standpoint of security and for any suggestions we might have to make. The report is for public dissemination.

25X1A

2. The matter was referred through Dr. Chadwell to [REDACTED] and his staff in OSI who were most cooperative in reading the material against the Committee's deadline. As a result, Mr. Borden has forwarded the attached letter of appreciation.

Walter L. Pforzheimer
